

SMI vs Malay College            drew  
 SMI vs Anglo-Chinese School lost  
 SMI vs Anderson School        lost

The club organised the sixth annual Dato S. P. Seenivasagam Shield tournament in which four Ipoh schools participated. There were the Anglo-Chinese School, Anderson School, Sekolah Izzuddin Shah and St. Michael's Institution. The tournament ended in a tie for

the shield between ACS and Anderson School.

We would like very much to see more pupils join the club to take up this game so that for future competitions we shall have a larger reservoir of players from which to draw, as well as to replace those about to leave school. And finally we wish to thank both Brother Director and our advisor Mr. Eugene Almeida for their kind assistance.

**T**HIS year the club has 37 members, showing an increase of 17 members. During the first term we had a friendly match with the Anglo-Chinese School. Our members practised every Saturday morning. The aim was to choose and prepare players for the 3rd year of the Woo-Ka Lim Trophy Inter-School Chinese Chess Competition.

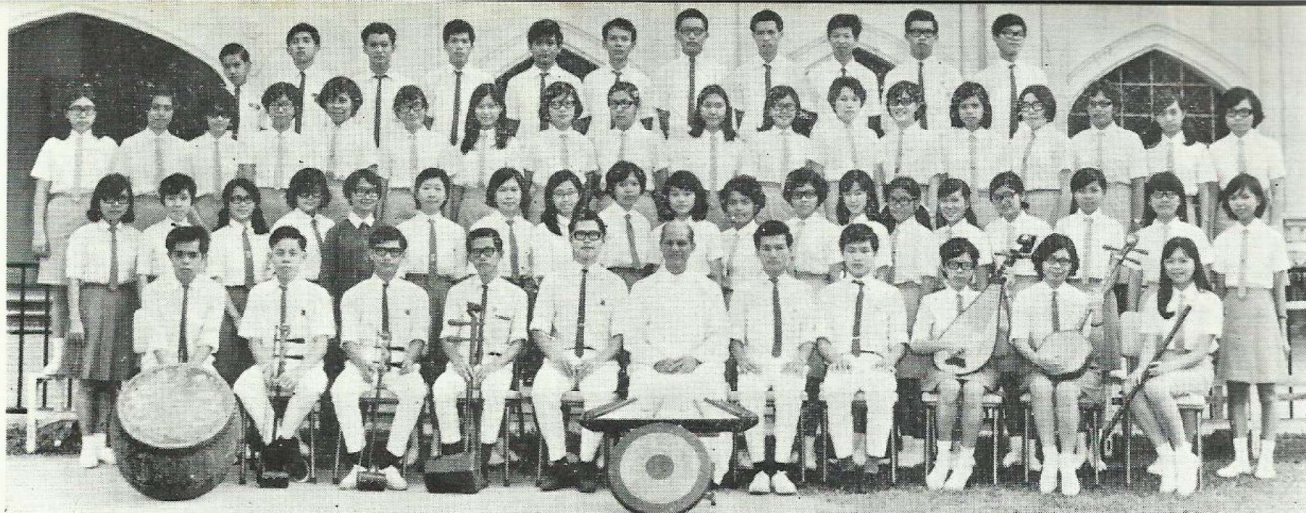

By the end of the first term we had formed

a rather strong team of Chinese Chess players. The inter-School tournament, organised by Sam Tet School, was held in the second term. Five schools took part. They were the Anglo-Chinese School, Anderson School, Yuk Choy High School, Sam Tet School and St. Michael's Institution.

Our school failed to recover the trophy which we lost last year. However we emerged as runners-up in the competition. We beat ASI (16-12), YCS (23-5), but lost to ACS (13-15) and STS (10-18). Arising out of this competition, the club realised further practice would be necessary to recover the trophy next year. The tournament within the school was held in the second term. The champion was Chong Seong Wee with Tung Weng Hoe runner-up.

**T**HIS year has been one of achievement for the SMI Chinese Instrumental Group. Although we were unable to secure the services of a formal instructor, the group did manage to function smoothly and make considerable progress.

The group was formed originally to inculcate a deep love and appreciation for Chinese music and culture. To achieve this aim all our committee members have done an excellent job in teaching the members of the group the art of playing classical Chinese instruments.

Membership this year has risen to 62 and includes students from form two to form six. A number of Malay girls joined the group this year; this has given us all a measure of special

delight and we are happy that we are helping forward the cause of national harmony. Since most members are beginners, we owe special thanks to the section leaders for imparting the basic competence in the various instruments. A new feature of the weekly practices was the introduction of record players and taperecorders, these were very welcome and effective.

The group distinguished itself in a number of public performances. During the Interact Talentine Contest we captured the first prize in the instrumental group section and took second and third places in the instrumental solo section. Later in the year the group carried off the first prize in the instrumental group section during the Anderson School Talentine. We also performed at a number of functions throughout the year.

The group has been depending on only a few instruments. These were found to be insufficient to meet the growing demands of our increased membership. We were very fortunate to obtain some instruments from the Ipoh Hokkien Association. In addition some funds were collected from a sale of pencils. Our needs are still very great, and we take this opportunity to appeal to all wellwishers to come to our assistance and help to keep our group flourishing. Finally a special thank-you to our advisor, Rev. Brother Director Paul for his kindness and encouragement.

**U**NDER the guidance of Miss Choy Yoke Chan the folk-dancing society has continued to enable those interested to learn a variety of dances. This year's enrolment is now at thirty. Among the dances learned was a Greek dance 'Ariarados' and

some Malay dances. The members spent a number of weeks preparing for a performance for the Activity day display: this year a lively dance to the tune of 'Melody Time' was entered and it proved a highly sparkling success.

We wish to take this opportunity to thank Miss Choy for giving her invaluable time to instruct us, Brother U Paul for his encouragement and Mr. Louis Rodrigues for much appreciated assistance.

**T**HIS year the Club has set itself the special task of assisting those preparing for their government examinations. Various methods have been adopted to stimulate fresh interest and new effort. Weekly practice sessions were organised and interest and attention were extended to every area of the syllabus and included outdoor painting and sketching, still life, nature, imaginative composition, portraiture and fabric painting or printing. All these weekly practices were full of life and with background music assisting an atmosphere was created which stimulated some very good effort.

In addition to the above programme the club contributed much effort to meet the varying artistic needs in the life of the school

at large. At the sports meet our members organised for all decoration requirements; their services were also much in demand for the talentime organised by the Interact Club, the science exhibition and the staging of the "Monkey's Paw" which won first place in the inter-school drama competition. So much of this could never have been made possible if it had not been for the constant cooperation of all members and the inspiration provided by our very competent advisors Mr. Thomas Choo and Mr. Timothy Chee. Special thanks must be given to these two masters also for assisting with batik work: this can be tedious work and we feel sure we would never have been successful without their generous assistance.

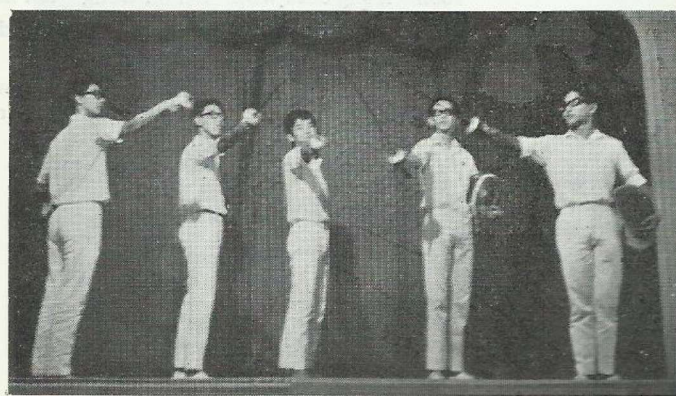

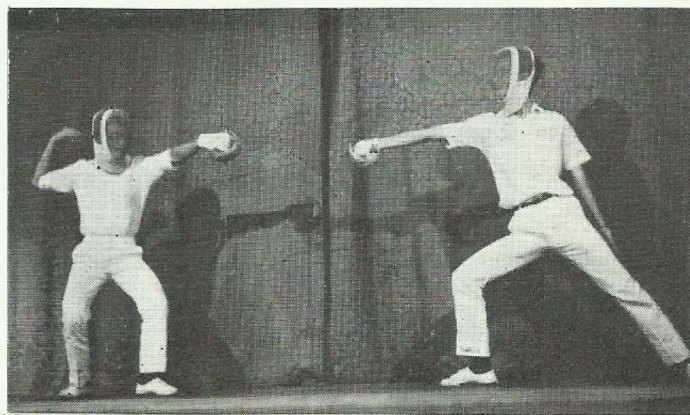

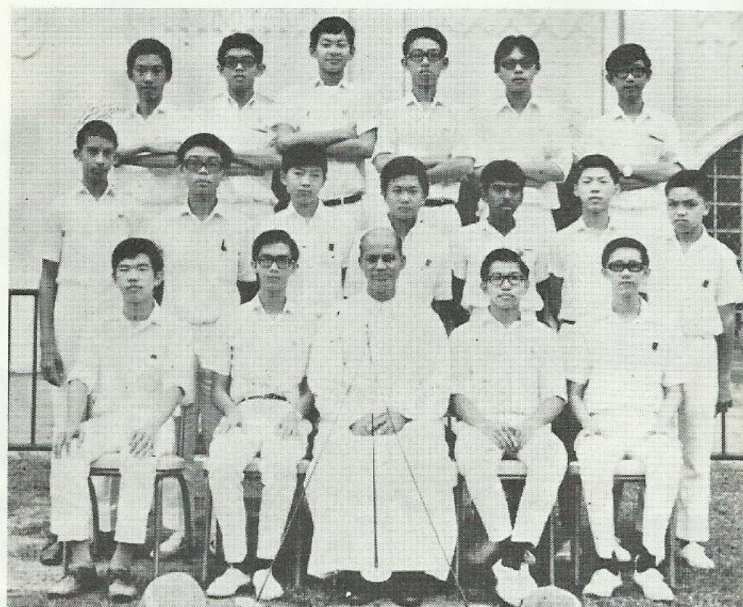

We are now looking forward to Activities' Day and Speech Day for the display of prize-winning entries for our competition. Already some members have had success in inter-school and state competitions: and developing talent of new members gives promise for more successes in future competitions.

We wish to thank Brother Director U Paul for his unfailing encouragement and interest.

## *Fencing Club*

**T**HE club enrolled a number of new members as the year got under way. Most of these came from forms four and five. We were fortunate to obtain the services of a peace-corps member as instructor and this has meant a great revival of interest and of life inside the club and a noticeable raising of standards.

Fencing sessions were held twice weekly and were well attended. Members took part in the Activity Day parade and four members gave a display of foil and sabre fencing which won much favourable comment from all present.

THE 24th Ipoh Boy Scouts Troop went through a general reorganisation in May and a noticable renewal of interest and enthusiasm followed, thanks to the efforts of Brother Baptist and Che'gu Raffai. A flow of recruits from Forms one and two brought membership up to 50.

The main project undertaken was the furnishing of the scout den. Financial assistance was received from a number of well-wishers and work on the den was able to proceed according to plan. A special opening ceremony was held

on 21 August at which Brother Vincent very kindly declared the new scout den officially open.

Among the other activities of the troop were hikes to various places, mini-campfires and dry campfires every fortnight. The troop also sent a few representatives to the scout jamboree in Malacca.

On behalf of the 24th Ipoh Boy Scouts Troop we wish to thank all those who helped us with our scout den, particularly our generous benefactors.

## *St. John Ambulance Brigade*

**D**ESPITE some setbacks and disappointments, the St. John Ambulance Brigade SMI sees 1970 as a year of progress and achievement. The year has been specially marked as the golden jubilee of the Brigade in Perak, and our members took an active part in several areas of the celebration programme.

SMI is particularly proud of the fact that the first division in Perak was formed in this school in 1940. And it was from this school that the movement extended out over the rest of the state.

The Perak First Aid/Home Nursing competition held in Telok Anson was a matter of some disappointment. We entered three cadet teams and one adult team to compete in the respective sections. Owing to an unfortunate technical hitch, our adult team which had practiced thoroughly and were regarded as highly superior, was not allowed to compete.

Despite this major setback our cadet teams went ahead to capture a number of awards. Our Cadet Team 13 captured the coveted Team Test title, Cadet Team 17 were runners-up in footdrill test, and Lawrence Yuen was

runner-up in the highest individual award test. We wish to thank Mr. Cheong Yip Choon a former Michaelian now in Taiping for much appreciated assistance.

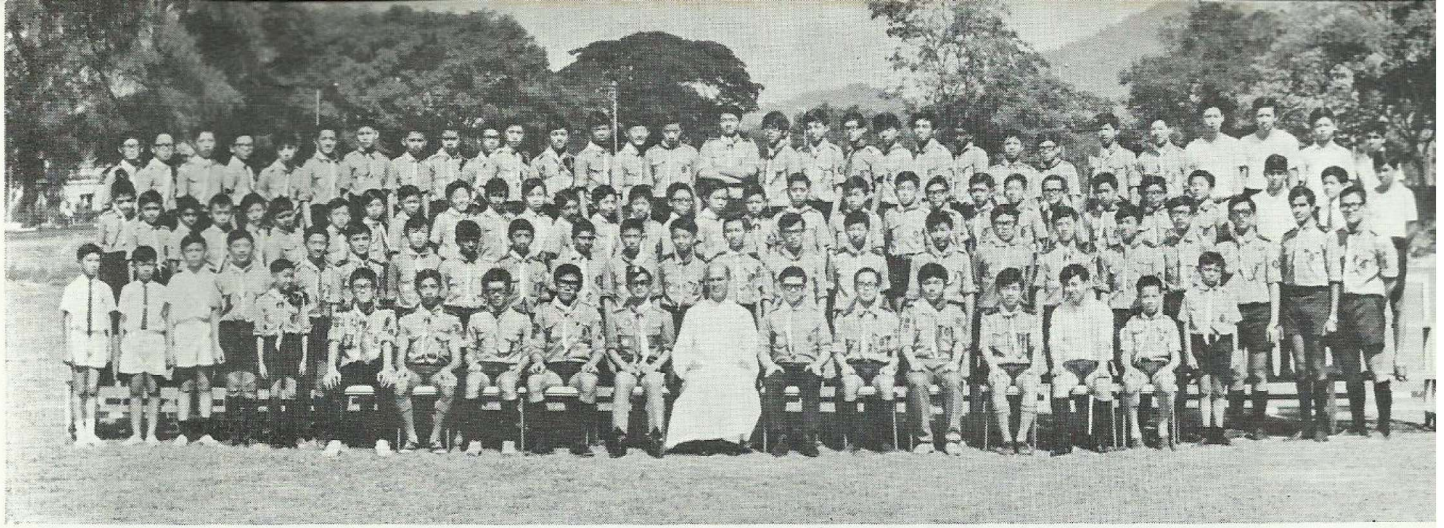

The task of organising the school's Activity Day this year fell to the St. John Ambulance. The NCO's and an officer formed the organising committee. After much effort the day finally materialised as a wonderful success.

There was a substantial increase in our duties this year. Our members were on duty at the various national and international athletic meets at the new Perak Stadium and also at other centres where games were played. We were also present for the Turf Club race meetings and national day parade. Thus we had many commitments apart from our own school functions.

Finally we wish to thank Brother Director Paul for his active interest; Mr. Jeffrey Lee for his advice on Brigade matters; Mr. T. A. Dass for his kind help in looking after the junior cadets and Mr. Wong Chee Weng for his very welcome help and interest.

## *Scouting*

### *29th Ipoh Troop*

**T**HE scouts of our troop, the 29th IPOH will remember the year 1970 as a year of success.

The first Kinta District Scouts and Guides Conference was successfully held at our school. Over three hundred scouts and guides from twenty-three troops and companies all over the Kinta District took part in the one-day conference of which we are proud to have been the hosts. The main aims of the conference were to promote better understanding among the scouts and guides of the Kinta District and to improve the scouting and guiding standards. Months of preparation were well rewarded on this memorable day. The conference was highlighted by a campfire in the evening which was attended by scouts and guides from over fifteen schools.

The annual inter-patrol competitions in field of first aid, flag-signalling, cooking and scout-craft were successfully held. Following last year's successful pioneering exhibition on Activity Day (organised by the 29th Ipoh Troop) this year we publicized scouting from Tenderfoot to First Class. The exhibition

emphasized on subjects like pioneering, camping, axemanship, first aid and knots which are some of the various aspects of scouting life. Our exhibits also included a demonstration of backwoodsman cooking.

The Second Malaysian Jamboree held in Malacca from 29 July to 4 August saw eight of our scouts flying the colours of our school at the campsite.

At present there are a hundred scouts in the troop of which there are two King Scouts, four Bushman Thong holders and nine Scout Cord holders. The troop is divided into three Senior patrols and ten Junior patrol. Occasionally, hikes and training camps are organised for our boys. During our weekly meetings, our scouts are trained to be independent and responsible people. We hope others will be encouraged to join our ranks.

We would like to thank Rev Bro. Director and other wellwishers for all they have done for the troop. In 1971 we hope to channel our resources into further development of our troop.

## *The Corps of Drums*

**N**EVER before has the Corps of Drums been quite so active and so successful in the life of the school. All members deserve high praise for their unselfish sacrifice of time for the band and for the honour of the school. Rehearsals were more numerous than usual particularly in view of the Pesta Sukan 26 - 29 July. Lessons had to be missed, there were complaints to be contended with, but all in all the members cooperated magnificently with the other four bands which took part on this occasion (Yuk Choy, MGS, Perak Girls School and our own Military Band). The same cooperation was in evidence for the international sports meet in early August.

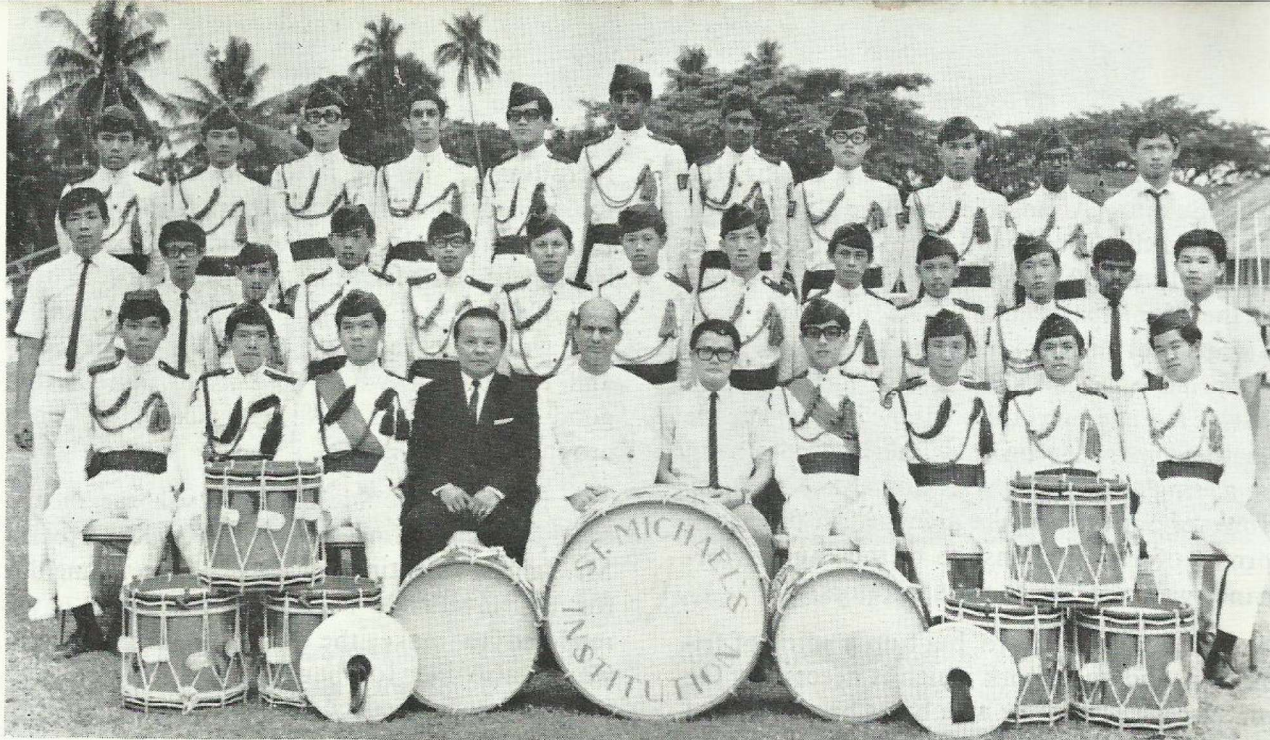

The band was in attendance at other functions as well such as the WHO day, the school sports, school activities day, the national day display and the Cadet Passing Out parade on 5 September. For the first time the Corps and the school military band cooperated as a

combined band under the leadership of the drum major Khaw Teng How. The "SMI Band" gave magnificent displays during the national day and the cadet passing out parade.

The five bands which participated in the pesta sukan and the international sports meet held a social on 30 August which was enjoyable and memorable in view of the cooperation and goodwill which marked our association with these bands.

Special thanks must be conveyed here to the following: Captain Choo Joo Keat, for his leadership and constant guidance, 2nd Lt. Oh Teik Toh for his concern with discipline inside the band, Captain Hassan bin Din, ARCM, PJK, AMN (a retired director of music in the armed forces band) for his professional advice and guidance, and in a special way to Brother Director U Paul for his constant encouragement and inspiration.

## *School Military Band*

**W**E held our annual election during the second term because we were temporarily paralysed when many of our members being Fifth formers left school after their examination or were awaiting for entrance into Sixth form. However the following were elected as office-bearers for the year: -

Drum Major:	Cheong Yoke Leong
Asst. Drum Major:	Wong Chee Weng
Secretary:	Khor Sinn Yeou
Treasurer:	Peter Loh
Quartermaster:	Albert Loh
Wind Instr.	
Section Leader:	Wong Jee Leong
Drum Section Leader:	Michael Chan

With our first objective being completed, we marched through 1970 with several creditable performances.

We attended innumerable sports meets during the year. The premiere of 'Hello Dolly' saw us in action once again when we entertained the audience and the distinguished guests with several of our march pieces. The band was also present for many of the school occasions. We led the march past in our

annual sports meet and gave a display on Activities Day. We were also invited to perform for the staff and patients of the Tanjong Rambutan Mental Hospital whereby we showed some impressive figure marching and entertainment by playing several popular songs.

The highlights of the year came during the third term. The first of these was the Pesta Sukan '70 whereby we combined with the Cadet Corps of Drums, the bands of Yuk Choy, M.G.S. and that of the Perak Girls' High School to give a memorable display during the opening ceremony of the meet at the Stadium Perak. This performance was repeated at the International meet held at the same venue.

Once more we were invited to play in Tanjong Rambutan in view of the Mental Hospital sports meet. We marched in smartly in full view of the spectators who later showed their appreciation by giving us a big hand.

On 30 August, we held a combined band social whereby together with the Cadet band we saw to the attendance of those bands who

had marched alongside with us during the Pesta Sukan. After this memorable evening, we joined the Cadet band the next morning to take part in the Hari Kebangsaan celebrations on the Municipal Padang. As usual we gave a wonderful display and both the bands were the pride of St. Michael's. The final function that we attended was the combined Cadet Parade where we marched again with the Cadet band as a single unit representing St. Michael's. However our efforts were drenched in the heavy torrent of rain but inspite of this, our performance was pleasing to the spectators.

As a band we have built up a spirit of friendship and teamwork which is necessary for our success. However as a brass band we have problems both financially and in the field of

recruitment. In the latter, we have practices for recruits twice a week so that they may be ready to take the place of those who will be leaving school after their examinations at the end of the year. We also need more members and we hope that those pupils in Form Two and Form Four would join us to uphold the good reputation that we have acquired in and around Ipoh town.

The band would like to thank the members, Mr. Kong Sin Soo, Mr. Khoo Kay Hock, Mr. James Valentine and Mr. Eugene Almeida for the invaluable assistance that they have rendered to make the band a success. We would also like to thank Rev. Bro. Director for his constant encouragement, help and the interest he had shown in the band.

THE year began with the absorption of many students into the ranks of the society. These were mainly from forms two and four. By early second term the enrol-

ment was further increased with the arrival of the lower sixth. They were just completing the soft and slow movements of Tai Chi Chuan, a branch of the various forms of Chinese martial arts.

Thanks to the unceasing and patient efforts of our instructors, Mr. Chan Soo Khean and Mr. Chun Weng Kai, the society has gone a long way towards achieving its main aim of improving the mental and physical faculties of every individual member.

**T**HANKS to the dedicated guidance and experience of Mr. Oh Teik Toh and Mr. Yau Yet Sau, both 2nd Dan Black-belt holders and Mr. Lee Kon Leong, this society has had a year of exceptional progress. Membership increased to the point where a new class had to be formed with an enrolment of

forty pupils, bringing the total number of classes to four, three for boys and one for girls.

History was made when Haw Kew Sin who won the lightweight event in the 1969 national judo championships was awarded a 1st Dan Black-belt. This is the first time in the history of the society that a student was awarded a black-belt. He was later joined by Chung Lee Seng. We hope they will be joined too by the present six brown belt students who have only one more step before they obtain their black-belt.

Mr. Andrew Chin

Coach:

Mr. Jinadas

THIS year we did not have a strong team, but still as a result of regular practices the under-20 and under-18 teams managed to put up a good show in the inter-school competitions. The under-20 team were beaten by STAR in the finals. In the under-18 competition for the Teerath Ram trophy we were again beaten by STAR in the finals. The under-16 team did not have a very successful season. They won two of the four matches played.

The members of the teams wish to thank the football masters Mr. Eugene Almeida and Mr. Andrew Chin, and also our honourary coach Mr. Jinadas, and his assistant Mr. Janerias for keeping the teams in good shape.

Three under-20 players, Koo Luan Khen, Vincent Doss and Yee Shan Kon were chosen to represent the Perak combined schools. Cheah Fook Choy from the under-16 team was also chosen to represent the state.

Vincent Doss and Cheah Yook Choy were selected to play for the Malaysian under-18 and under-15 teams in the international schools competition which was held in Kuala Lumpur. Yee Shan Kan was selected for centralised training for the above competition but failed to qualify for a place on the Malaysian side. Congratulations to Vincent Doss for being given the honour to captain the Malaysian team. Another of our players, Koo Luan Khen, captain of the school under-20 team, played for the state regularly this season. He also represented Malaysia in the Asian Youth Competition held in the Philippines.

The following are the results of the inter-school competitions:

#### Under-20 Competition

SMI vs STAR	won 3 - 1
SMI vs ASI	won 3 - 0
SMI vs MES	won 3 - 2
SMI vs GNI	won 10 - 0

## Volleyball

Captain (boys):	Lau Swee Lam
Captain (girls):	Miss Gertrude Lim
Coach:	Mr. Choo Kwong Ngee
Teacher in Charge:	Brother Lucian

THE volleyball team moved into action in the first term shortly after the team had been selected. They took part in the North Ipoh District Volleyball tournament. However, owing to the fact that practices had been very few, performance fell below standard and expectation. We were fortunate to obtain

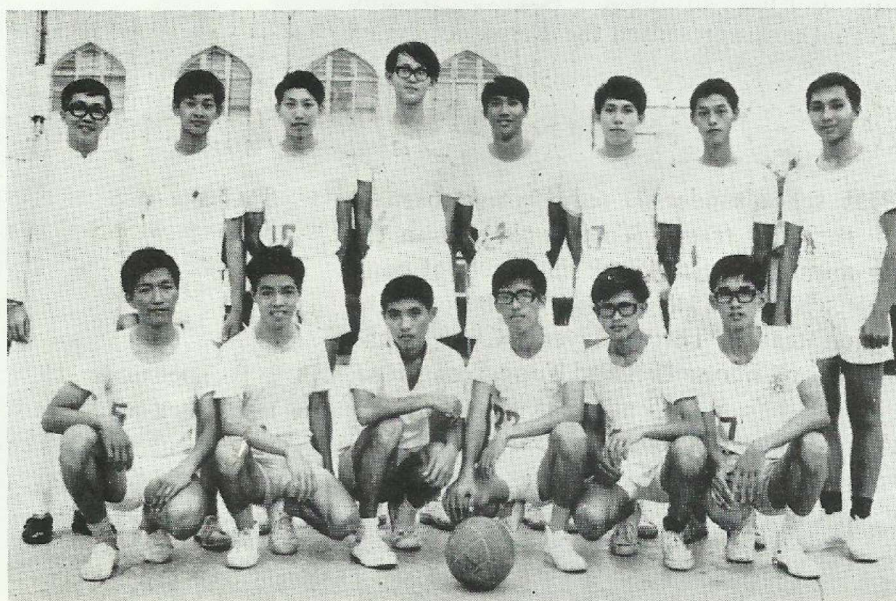

the services of Mr. Choo Kwong Ngee, a former Penang player, as our coach. Practices became more frequent and there was noticeable improvement.

We entered for the Perak Open Youth Tournament. In friendly matches we managed to beat Anderson twice. This year we had a girls' team for the first time.

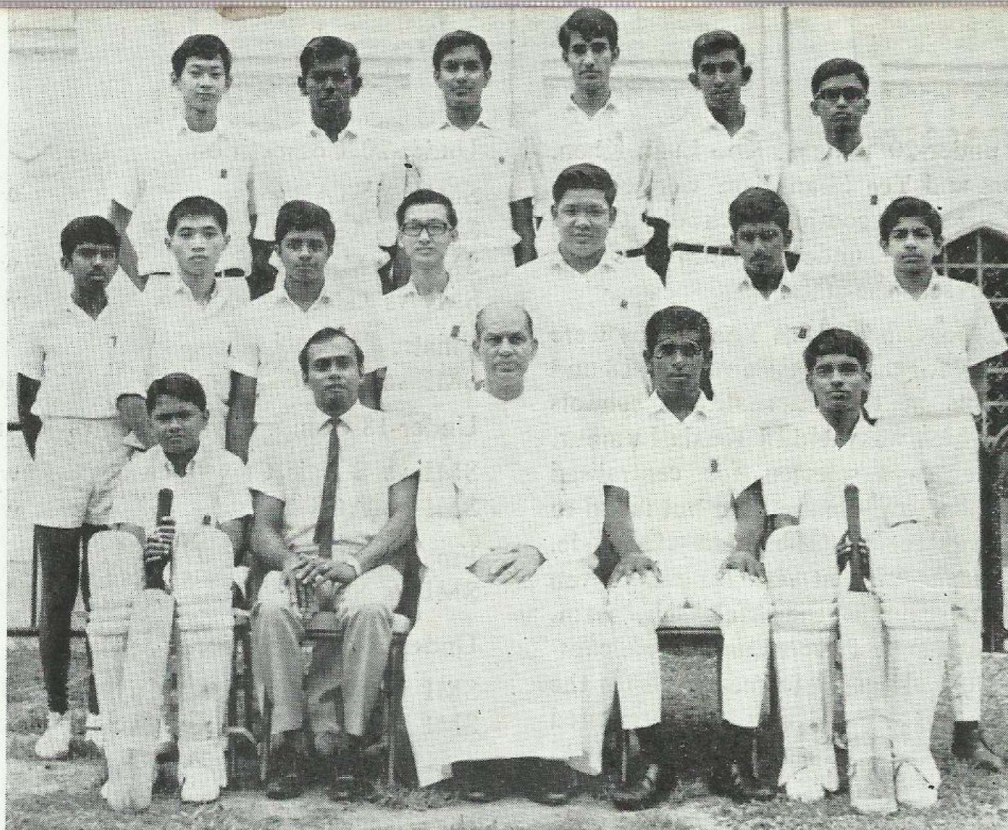

We wish to thank Mr. Choo Kwong Ngee and Brother Lucian for valuable guidance and encouragement.

## Cricket

Teacher in Charge: Mr. Jayaram Nair  
School Captain: K. Sivanathan

THIS year we had many young enthusiasts recruited for the cricket team. Though new to cricket for the most part, they showed great interest and made rapid progress. Regular practices were held at the municipal 'nets' and we managed to field a reasonably strong team.

Players deserving special mention are Balaskanda for his fine performance as bowler, and Rajendran and Mohan Ram who have shown unusual promise. Terence B and K. Sivanathan represented the Perak combined

schools' XI, while K. Sivanathan also represented the Perak under-23 XI.

Lastly on behalf of all the players and the school, I wish to thank the Lasallians Club for donating valuable cricket equipment, and the hardworking PCA for allowing us to make use of the municipal nets. And a final word of appreciation to the cricket master Mr. Jayaram Nair for his fine coaching.

## Table-Tennis

THE school under-20 team was chosen in the first term. They took part in the annual Central Perak inter-school competition and won all matches to become the champion team. Three players, Chow Chan Kwan, Khor Choong Len and Tung Weng Hoe, were selected to represent Ipoh district in the Perak inter-districts competition. Below are the results of the matches played:

SMI bt ACS	5 - 1 (friendly match)
SMI bt MSSS	5 - 0 (inter-school)
SMI bt MES	5 - 0 ( " " )
SMI bt STS	5 - 3 ( " " )
SMI bt ASI	5 - 2 ( " " )

The under-15 team also participated in the inter-school tournament and took the runner-up title. They beat STS, PLS and LS Menglembu but lost to YCS.

The annual table-tennis tournament was held in the first term. The results: Under-20 singles — Chow Chan Kwan with Tung Weng Hoe as runner-up. Doubles: Chow Chan Kwan and Lee Lai Fook and runners-up were Tung Weng Hoe and Lee Wai Weng. The under-15 singles champion was Yap Onn Wah and doubles champions were Hee Ting Wan and Kwan Siew Wah.

The girls' team was comparatively weak this year owing to the lack of practice sessions. Nevertheless they took part in the inter-school competition. They also had friendly matches with ACS and Ave Maria Convent. This year with the formation of the club and a further intake of girls we hope the school girls' team

will be more successful next year.

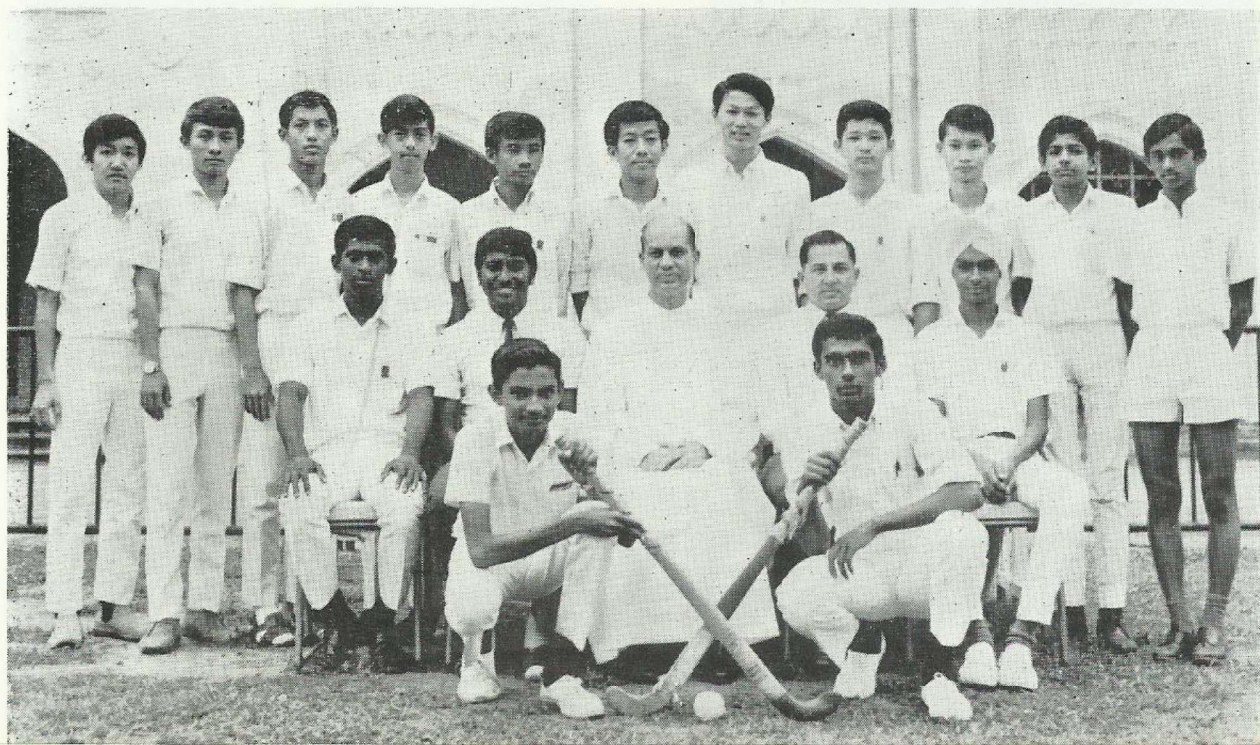

The table-tennis club was formed towards the close of the second term with a membership of seventy.

## Hockey

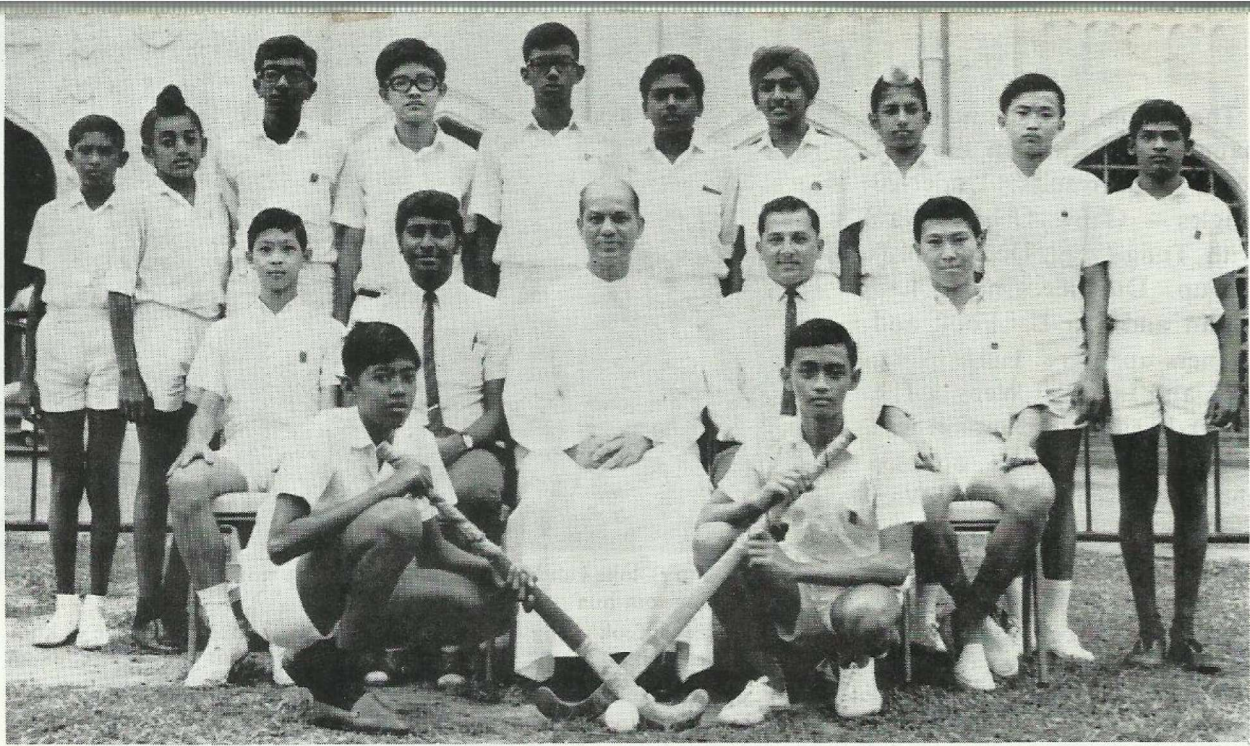

Captains: K. Sivanathan (under-20)  
Henried Ong (under-16)  
Miss Aida Rohana (under-20)  
Hockey Master: Mr. James Valentine

THE hockey season started early this year. The hockey master with the help of Mr. Selvaraj, a Perak state player, helped in training the school under-20 and

under 16 teams. After a period of practice the school took part in the hockey carnival for the Moreira and Shaidali Shield. The under-20 team won one game and lost three. The under-16 team won one, drew one and lost two. Though the teams were still raw and inexperienced they gave a fighting display and lost by narrow margins.

The girls, after some bumps and bruises, managed to field a reasonably strong side for the David shield. They drew with ASI but un-

luckily lost to ACS by one goal. It is hoped that more girls will take to hockey in future seasons.

The school fielded a mixed staff and pupils team in the division 2 Ipoh district hockey league. K. Sivanathan, the school captain, was chosen to represent the Perak combined schools and was also selected to represent Perak in the Tun Razak cup tournament. Thanks goes to Mr. Selvarajah who gave us his precious time as coach and also Mr. Louis Rodrigues for his active encouragement.

## Swimming

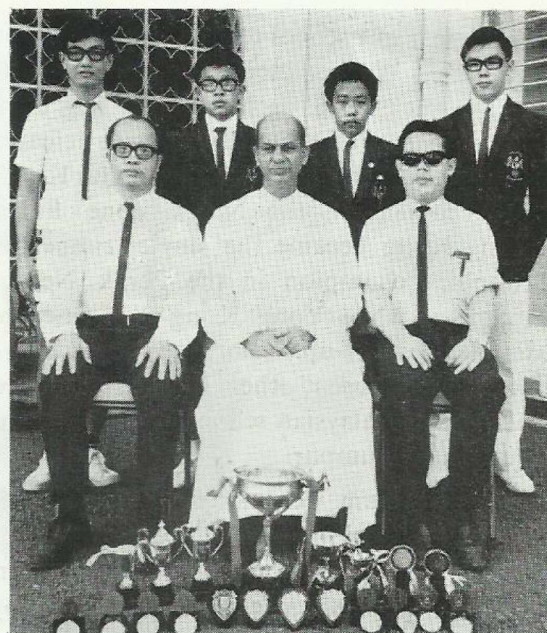

**S**WIMMING saw a slow decline after 1967 when so many of our best swimmers left school. This year however witnessed something of a return to the glory of the past, largely through the efforts of four of our leading swimmers Lawrence Benjamin, Leong Khong Loong, Leong Poh Choong and Leong Poh Sun. All four trained hard and regularly under the expert eye of the national coach Mr. Lee Chong Lay. And all were selected in due course to represent in turn the school, the state and finally the nation.

The four L's represented Malaysia at the first Asian age group swimming championship

and among them Benjamin and Poh Sun collected a bronze each. Representing the school earlier in the year at the Perak Junior, Khong Loong with two national records and Poh Sun with one were the top swimming stars. Poh Choong managed two golds in the under-14 group. Swimming in the under-14 4 x 100m medley and freestyle relays Khong Loong, Poh Choong and two other swimmers won both events in second times and succeeded in defea-

ting a very superior ACS team. The under-16 medley relay was also won by our school. Indeed this has been a highly successful year.

At the national junior meet, Poh Sun and Khong Loong swam well, the latter collected four individual golds all in record times while Poh Sun who had four individual wins as well scored a further three in the relays to make up an impressive total of seven golds.

At the school annual meet the division 1, 2 and 3 champions were Lawrence Lee, Poh Sun and Khong Loong respectively. The girls' champion was Miss Elizabeth Goh.

At the Malaysian school sports meet held in Penang, Poh Sun swimming in the under-20 with five golds was one of leading medalists. Benjamin in the same group captured an individual gold while Khong Loong and Poh Choong in the under-14 collected six and two respectively.

Khong Loon's best achievement was in the Malaysian open when he qualified for the Asian Games. It was Benjamin's best as well, for he collected the only gold among the Perak male

swimmers. Certainly this has been one of our most successful years in swimming.

So much for swimming and over to water-polo and life-saving. Few are interested in the game but among the few we have two, Benjamin and Foong Gat Kwai who were selected to represent the state at the MSSM. The life saving society is gradually declining and an appeal for more members has been made.

---

We mourn the death of one of our swimming master, Mr. Albert Teh, whose generous service and hard work, has contributed very much to the progress of swimming in the school and indeed in the state and nation as well. May he rest in peace.

---

In conclusion I wish to thank Mr. Lee Chong Lay for his invaluable coaching, our swimming masters Mr. Chan Soo Khean and Mr. Chun Weng Kai for their advice and guidance, and indeed all those who were involved in making school swimming such a special success.

## *Badminton*

Teacher in Charge: Mr. Aw Teik Swee

**T**HIS year our school team had a very good start. We retained the Ovaltine Cup for the Perak schools for the third successive year. Unfortunately we were defeated by Sultan Abdul Hamid College in the King's Cup tournament in the North Zone finals. Goh Eng Kong became the singles runner-up and doubles champion in the Perak Nestles Tournament, while Yong Kong Wah emerged as doubles runner-up. Both the boys were selected to represent the Perak combined schools at the Malaysian schoolboys championships in Kuala Lumpur.

The girls' team were not so successful this year. They were eliminated in the early rounds of the Ambrose Shield competition. However, two of our lower six students, Miss Lee Choy Thai and Miss Lee Siew Thai were selected to represent Perak combined schools.

Lim Jit Soon was also selected to represent the Perak under-15 team. The success of our school team is largely due to our badminton

master, Mr. Aw Teik Swee who has been coaching the boys and girls throughout the year.

## Rugger

THE school team was formed rather late this year. This was due to the departure of our coach, Brother Casimir.

Nevertheless the task of getting a team together and into shape was undertaken by our energetic sports secretary, Mr. Louis Rodrigues. After a series of trials the team was selected. As most of the players were from examination classes the school did not participate in the Perak combined schools rugger competition.

To date the team has played two games

winning both. In the first game we beat Sekolah Izzuddin Shah by a broad margin and in the second we beat Sekolah Vokesional.

The team would like to thank Mr. Louis Rodrigues and Mr. Rex Issacs whose advice and assistance have been much appreciated.

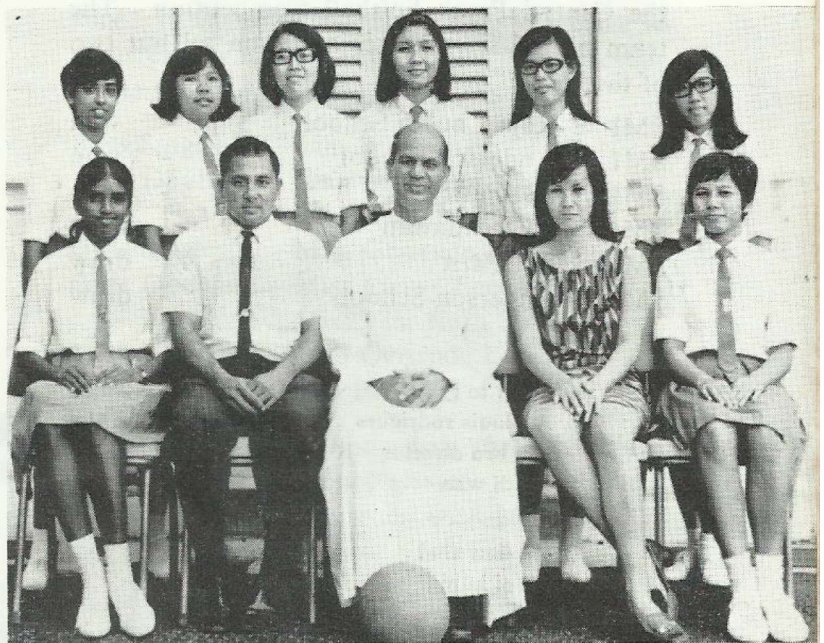

Addendum: In the annual game against Anderson School played on 6 October in the Municipality Padang SMI had a dramatic win of 8-0, scored in the very closing minutes of the match.

## Netball

THE Uppers arranged to field a team for the Perak Central Zone Schools Tournament in the first term. In this tournament we defeated RPS and MES.

The second term saw the arrival of the lowers and they brought with them the promise of fresh talent and fresh enthusiasm. In the inter-sixth form games held in the second term, we lost to ACS by a narrow margin of two goals, after a very confident victory over ASI in the earlier round. Regular practices and friendly games were also part of the second term programme.

We wish to thank our coaches Miss Choo Jee Jong and Mr. Louis Rodrigues for their dedicated interest in the team.

## Softball

THE softball season in the school started quite late in the year. It was only after the admission of the lower sixers that the school team was selected. Regretably the rest of the upper secondary did not show much interest in the game. Because of this the school team comprises mainly of sixth formers.

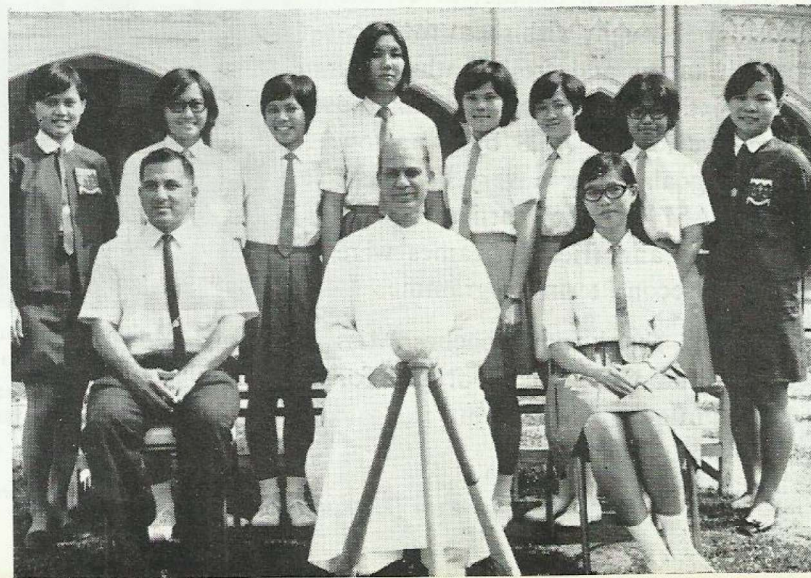

Softball has never been considered a major sport in the school. Despite this and many other setbacks the school team was entered for the Central Perak Softball Competition. The team played six matches and won all but two of them.

## Basketball

THIS year is a year of little achievement. The under-20 team, after managing to get into the semi-final, was knocked out. The under-16, was eliminated after two matches.

The following are the results of the Combine-Schools Basketball Tournament:

Division A, Under-20 SMI lost to ACS  
SMI beat Poi Nam  
SMI lost to Yuk Choy

Division B, Under-16 SMI lost to Yuk Choy  
SMI lost to Shin Chong

ACS was champion in division A, and Menglembu Lower Secondary School in division B.

However, we were proud that we lost to ACS by a narrow margin of only two points.

In a friendly match held earlier, the school selection team, lost to the old boys, which includes National Player Leong Seong Kee and another former state player.

In friendly matches with STAR, played on our school ground, our under-20 and under-16 won both their matches with ease.

The under-20 captain, Tan Tai Fatt, was selected as one of the members of the Combine-Schools Team. The Perak state team lost to the champions, Selangor by only 1 point, and became as runners-up.

## Tennis Club

President:	Lim Bee Min
Vice-President:	Joseph Chang
Secretary:	Lee Oi Kum
Treasurer:	Damian Choo
Teacher Advisor:	Brother Casimir

THE club started the year with forty members. In the second term the Perak inter-school tournament was held. As it happened our boys' team this year is comparatively weak with Lim Bee Min as our

only seasoned player. We were out of the tournament when we were beaten by ACS. The girls' team on the other hand did very much better: after defeating MGS (3 - 0) and ACS (3 - 0) they were acclaimed as the Perak Champions.

The club held the school tournament in June. It was especially heartening to receive so many entries for the boys section. The results of the tournament were as follows:

Boys Singles	- Lim Bee Min
Boys Doubles	- Damian Choo and Tan Kian Joo
Girls Singles	- Miss Gertrude Lim
Girls Doubles	- Miss Liew Chooi Peng and Miss Yim Kam Seong
Mixed Doubles	- Miss Gertrude Lim and Lim Bee Min

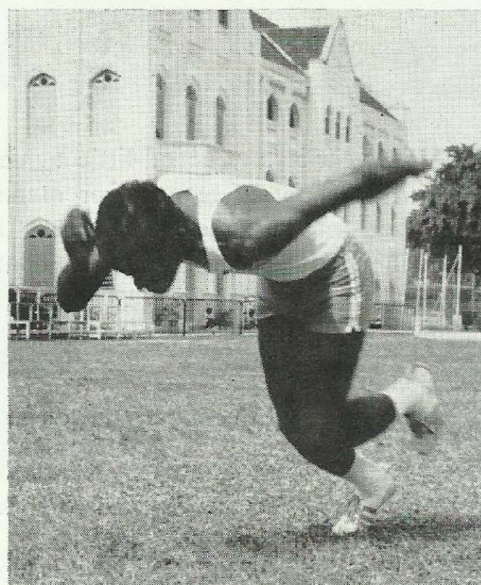

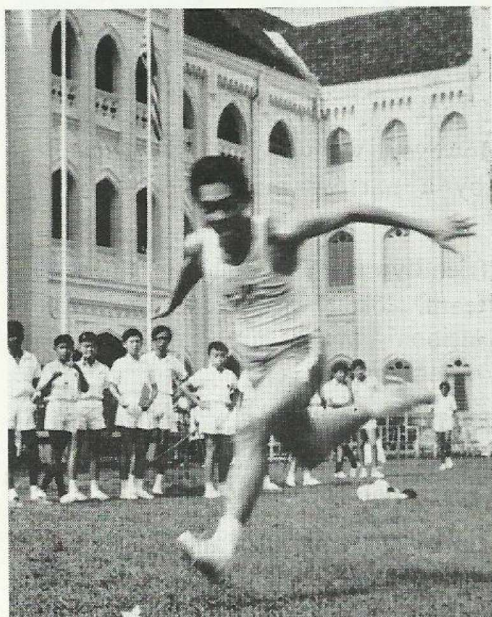

The club was kept active throughout the year with daily practice sessions on the school court and friendly matches with MGS. MGS lost to us (5 - 0).

The club wishes to thank the school for constant encouragement and Brother Casimir for much appreciated guidance and help.

## Athletics

THE year 1970 will be long remembered at St. Michael's for the success of the school relay team. The school team proved to be the strongest in the state and in the country and registered 44.5 three times. This was the fastest time achieved by any team in Malaysia this year. The team entered for 19 races and came first in all but one.

In the 18 wins the team set 11 records and equalled two. The team travelled to Kuala Lumpur twice and won on both occasions, beating such teams as those of the Royal Military College, St. John's Institution and the Selangor Light's Club.

The members of the team were: K. Sivanathan, Wong Ming Hing, Wong Swee Teng, Gerald Vytialingam and Vincent Doss.

Wong Swee Teng and Gerald Vytialingam were selected to represent Perak Combined Schools and the State, while P. Vellupillai was selected for the Perak Combined Schools' under-15 team.

On behalf of all the athletes I wish to thank Mr. Poon Mun Onn and Mr. Chen Yong Fook for devoting so much time and

energy to raising the standard of athletics in the school. I wish to thank Rev. Bro. Director as well and Mr. Louis Rodrigues for much invaluable encouragement at all times.

## Sepak Takraw

**M**ENJELANG tahun 1970 sa-kali lagi pasokan sepak takraw Sekolah Menengah St. Michael di-tubuhkan. Tetapi taraf permainan2 kami tidak-lah begitu boleh di-banggakan, kerana pertama-nya kami maseh belum mempunyai gelanggang sepak takraw yang sempurna di-sekolah ini. Permainan2

latehan di-jalankan di-mana sahaja yang dapat di-adakan, sama ada bermain di-gelanggang badminton sekolah yang sentiasa di-penohi oleh peminat2 badminton atau di-dalam padang bola sepak sekolah. Kedua-nya, kerana pemain2 lama pasokan kami telah berhenti sekolah.

Di-antara pertandingan2 yang telah kami masoki ada-lah saperti berikut:

**A** Pertandingan2 sa-chara persahabatan:

Pasokan S.M.I. melawan Pasokan Sekolah Menengah Vokeshenal, Ipoh Keputusan-nya menang.  
Pasokan S.M.I.       "       "       "       "       Guru Nanak, Ipoh       "       menang.

**B** Pertandingan2 lain yang di-masoki tetapi tidak mendapat kemenangan:

Pertandingan Kejohanan Sepak Takraw Kawasan Ipoh anjoran Majlis Sukan Sekolah2 Malaysia (Perak);  
Pertandingan Kejohanan Pesta Laut Lumut;  
Pertandingan Kejohanan Sepak Takraw Perak anjoran G.P.M.S. (Perak).

Walaupun kami telah menerima kekalahan2 kami tetap berpuas hati dengan sifat kesokanan yang telah di-tunjokkan oleh pemain2. Kami boleh berbangga yang kami telah mengambil bahagian!

## SOFTBALL

**Addendum:** The inter-school softball competition started in the month of September and our team participated despite some setbacks. We emerged as Central Zone champions and went on to defeat the North Zone champions, Shung Wah School of Kuala Kangsar. We met the champions of the South Zone, Slim River School, in the finals and handed them a resounding victory.

## Primary School I

### STAFF & ENROLMENT:

Primary School I has 29 classes in 1970 with a total enrolment 1429 pupils at the beginning of the year. The pupils are under the charge of the headmaster, Mr. Lim Guan Chue, assisted by 34 qualified teachers and two clerks.

485 pupils were registered for the Std. I classes, but we were only able to admit 250. We apologise for those who have been turned away.

246 pupils from Std. VI classes will be leaving us to join the St. Michael's Secondary School.

### DISCIPLINE:

The discipline of the school is maintained by a Board composed of Prefects, appointed from the Upper Primary Classes which is under the charge of Mr. Khong Shu Ming and Mr. T. A. Dass. They are assisted by six teachers weekly. Mr. Khoo Kok Hean, the Senior Assistant assist as adviser. The Headmaster Mr. Lim Guan Chue, is the chairman.

Certificates of Commendation are awarded to Prefects who have discharged their various duties and entertained to a tea-party at the end of the year.

### SCHOOL ASSEMBLIES:

School Assemblies are held twice a week — on Mondays and Fridays. These assemblies are to foster a spirit of pride and respect for the National Flag and National Anthem and also unity among the pupils.

At these Assemblies, the National Flag is broken, followed by the singing of the National Anthem and then a short talk on civics by the Headmaster. The Assemblies are rounded off with the singing of the School Rally.

### SCHOOL TEXT-BOOKS COMMITTEE:

This Committee has been functioning for the past seven years. Members of the Committee are appointed to review books on various subjects bearing in mind the contents in conjunction with the Govt. Syllabus and their suitability for class use. Before any new books are introduced, they have to be tried out for a year side by side with the identical book used.

### IMPLEMENTATION OF BAHASA MALAYSIA IN ENGLISH MEDIUM SCHOOLS

This year all subjects are taught in Bahasa Malaysia in Std. I with English as a second language. P.E., Art & Craft, Local Studies, Health Education and music are taught in

Bahasa Malaysia in Stds. 2 and 3. Geography, P.E., Health Education and Civics are taught in Bahasa Malaysia in Std. 4, and P.E., Health Science and Civics in Std. 5. The changing of the medium in the teaching of the remaining subjects into Bahasa Malaysia will be phased gradually until 1975 when all subjects will be taught in Bahasa Malaysia.

Two teachers have completed a Bahasa Malaysia Course in Kuala Lumpur organised by the Ministry of Education. Two other teachers are attending the same course during the terminal holidays, while a fifth teacher is attending the course during the third term.

#### LANGUAGES:

The importance of Bahasa Malaysia is constantly stressed to the pupils and they are encouraged to express themselves in this medium whenever possible.

Classes in Chinese and Tamil are conducted from Stds. III to Stds. IV for pupils whose parents wish them to take up these languages.

#### EXAMS & WEEKLY TESTS:

Examinations are held twice a year, once in mid-June and the other in October. During the course of the year, weekly tests are given to all pupils on various subjects. Results of all these tests are recorded in the pupils' report cards once every two weeks for the parent's or guardian's signature. Parents/Guardians are requested to sign the children's report cards in their own language, if they are unable to do so in English.

We appeal to Parents/Guardians to take a keener interest in the children's progress and to comply with the request to sign the children's report cards.

The results of the 1969 Std. V Assessment Examination held on 22nd, 23rd & 24th September last year are as follows:

Category	Bahasa Melayu I	Bahasa Inggeris II	Ilmu Hisab	Ilmu Sains	Tawarikh dan Ilmu Alam
A	8	30	46	22	49
B	65	69	62	68	76
C	84	65	71	66	45
D (Weak)	47	46	22	49	29
E (Very Weak)	41	38	47	43	46
X (Absent)	4	1	1	1	4
Total No. of Candidates	248	248	248	248	248
Percentages	64.1%	66.1%	72.2%	62.9%	69.3%

200 pupils sat for the Std. V Assessment Examination on 21st and 22nd September 1970. Classes were conducted by Std. V teachers to help the weaker pupils to revise the various subjects.

246 candidates sat for the Standard VI Standardised Examination set by the Kement-erian Pelajaran Malaysia in October 1970.

#### RELIGIOUS INSTRUCTION:

Muslim pupils receive instruction from their religious teachers — Inche Mohd. Ismail b. Hj. Ibrahim and Inche Mohd. Said b. Hamid Selau. They are encouraged to sit for the Koran Examination held by the Religious Department, Perak.

Catholic pupils are grouped together in their various standards and given religious instruction by Catholic Teachers. Other pupils are taught moral science or civics during the Catechism Lessons.

Rev. Bro. Philip prepares pupils for 1st Holy Communion and Mr. T.A. Dass prepares them for Confirmation.

We thank Rev. Fr. M. Thoo and Rev. Fr. Pakiam for looking after the spiritual needs of our Catholic pupils.

#### SPORTS ACTIVITIES:

(a) Our 12th Annual Sports was held on the morning of the 25th March. The 50 events on the programme were run off smoothly. We congratulate the Cator Avenue S. R. J. K. for winning the cup for the Inter-School Relay, Mr. Yap Hock Hye and his assistant Mr. A. Francis for winning the Champion Shield for Henry House this year, and Mr. Jimmy Ng for organising the Sports so well.

Prize Winners — Upper Primary

Prize Winners — Lower Primary

We thank our visitors and senior teachers who kindly consented to give away the prizes to the successful participants and M/s Nestle's of Ipoh for supplying free 'Milo' drinks to the pupils.

(b) Teachers were appointed to train pupils for the following games — Football, Badminton, Table-Tennis, Basketball, Hockey and Sepak Takraw. Friendlies were arranged with other schools by these teams and they did reasonably well.

#### OTHER ACTIVITIES:

(a) *Cubbing and Valiant Vanguard*: Pupils are encouraged to join these two organisations to foster a spirit of co-operation and friendliness among themselves, through competitions, games and various other activities.

(b) *Junior S.J.A.B.*: The Junior S.J.A.B. was started last year and the members are doing reasonably well under the direction of Inche T. A. Dass.

(c) *Music*: Pupils who are interested in

music, are coached by Rev. Bro. Philip to play the accordion. These music lessons are held on Saturday mornings.

(d) *Shell Traffic Games*: A group of pupils were trained by Mr. Kok Pak Ching to take part in the Traffic Games competition which was organised by the Education Department in conjunction with the Shell Company.

(e) *Headmaster's Birthday & Mr. Lim Guan Choe Scholarship Fund*: On the 9th of March, all pupils gathered in the School Hall to wish the Headmaster a happy birthday. A mini Concert was organised by Rev. Bro. Philip to entertain him and at the end of the Concert the Head Prefect, Master Lee

Shin Ho presented him with a bouquet of masses from the Teachers and Pupils. Pupils in the Lower Primary classes presented him purses towards the Lim Guan Choe Scholarship Fund which was started in 1969 and at the time of writing, the total amount collected stands at \$4,005/-.

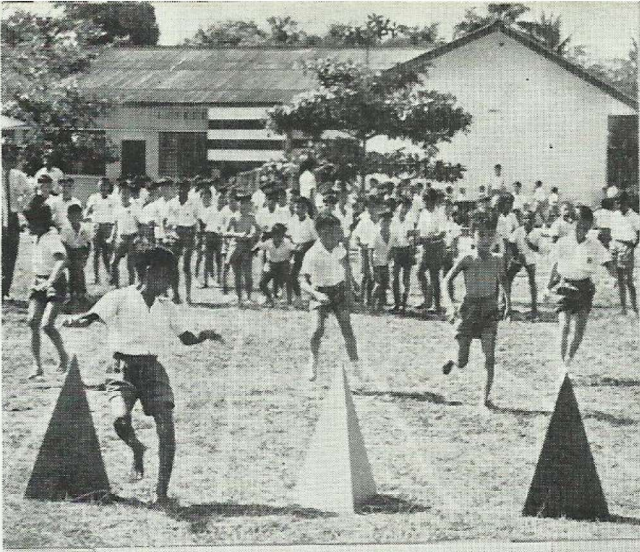

(f) *Prize Giving Day*: Prize Giving Day was held on the 25th Sept. Rev. Bro. Philip on behalf of Rev. Bro. Director presented prizes to the successful students.

(g) *Children's Day*: Children's Day was held on the 2nd Oct. 1970. Teachers organised their own class parties. The School supplied free drinks and lollipops.

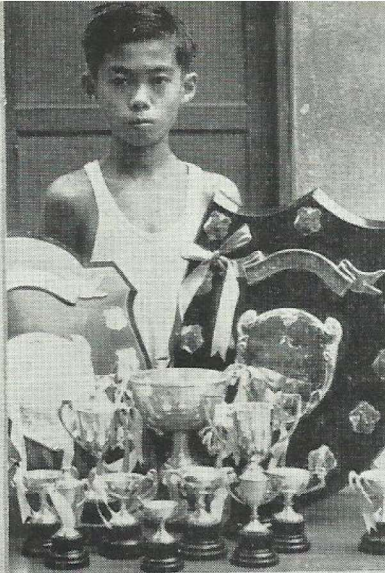

#### APPRECIATION:

We would wish to record here our appreciation for the advice and help of our fine Board of Managers, under the able chairmanship of Dr. M. E. Tiruchelvam, the Chief Education Officer, Perak and his Staff, the Christian Brothers, the generous support of all parents and well-wishers of our school.

## Primary School II

THE year under review has been a successful one for the school. A high standard in studies and participation in competitive sports and in as many games as possible have been the features of the school throughout and this year no less these objectives have been achieved. The Primary School buildings were set up originally to accommodate 25 classes, but the school is a five-stream school needing 30 classrooms and our chief difficulty is therefore one of insufficient space and the lack of a proper library room. These problems are not easy to solve as putting up additional rooms involves a five-figure sum. We are, however, directing our attention and efforts to this matter and hope something tangible and fruitful will result.

### ENROLMENT

The school has at the beginning of the year a total enrolment of 1353 pupils in 28 classes

compared with 1286 pupils and 27 classes last year. There is therefore a gain of one class and 67 boys. Five classes of Std. I boys were admitted in January while 187 boys left after completing Std. VI in last November.

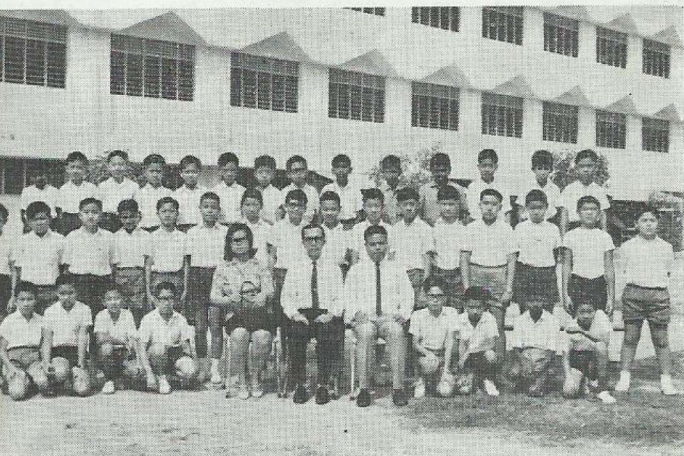

### THE TEACHING STAFF

The number of Teachers stands at 34, 15 of whom being men and 19 women. It is gratifying to record that the incidence of absence from school among the Teaching Staff is very low, and that a Teacher keeps away from school only because he/she is literally unable to stand on his/her feet and must take a rest. Indeed there are members of the staff who come to school even though they have not fully recovered from sickness, returning to lessons after taking two days' leave when their Doctors grant 3. Again there are Teachers who refuse to go home when taken ill at school. Instead they ask for a Panadol pill to help them finish the

day. I am proud to have such dedicated Teachers and the children cannot but benefit from this laudable attitude.

### THE CURRICULUM

In common with all Primary English Schools in the Country, the Teaching of all subjects in the curriculum in Bahasa Malaysia is implemented in Std. I for the first time this year. Our Teachers have the requisite qualifications to carry out this policy and apart from some minor problems at the beginning of the year, the scheme is working satisfactorily. At present, except for Mathematics and Science, all subjects are taught in Bahasa Malaysia up to Std. IV and by 1975, in all Standards, every subject will be taught in the medium of Bahasa Malaysia. In view of the importance of the National Language, more time has been allotted to this subject and the children are encouraged not only to master the written part but also the spoken.

### EXAMINATIONS

For the second consecutive year the school has topped all Perak Primary English Schools in the Std. V Government Assessment Examination held last year. The Chief Education Officer himself announced this at a meeting of Heads of Primary English Schools in April this year, after the results have been analysed. This is a signal honour to the School and to the Teachers of Std. V who richly deserve high praise. The percentage of passes was 78.15.

Std. VI boys continue to take their Standardized Tests at the end of the year in common with all other children in English Primary Schools.

The school continues to hold 2 main examinations yearly, the mid-year and the final. In addition, monthly and fortnightly tests are given and Std. V pupils also sit for a trial examination before they take the official Assessment Examination.

For all pupils in the Upper Primary School, a Pass in Bahasa Malaysia is compulsory in order to pass in the whole examination. This has been the rule of the school throughout in order to emphasize the importance of the subject.

### GAMES AND ATHLETICS

Our school competed in the following games under the Schools' Sports Council:

Football, Badminton, Sepak Takraw, Table Tennis, Hockey and Biddy Basketball. We were eliminated in the early rounds in most of the games but we did quite well in the Shell Traffic Games and Biddy Basketball. In the Shell Traffic Games we were placed fourth in the final. In Biddy Basketball the competing teams were divided into three groups. We emerged champions in our group but were beaten into third place in the final.

Once again we are proud of our relay team which won the championship trophies at the Ashby Road School Sports, Cator Avenue School Sports, Green Town Tamil School Sports and our School Sports. Our relay team shone again at the Ipoh District Athletic Sports at Cator Avenue School. Our relay team came out first again. Lau Mun Kong and Sandrasekaran won the first and second places in the 100 Metres and 200 Metres respectively. At the end of the second day our school emerged the overall champion school of the Ipoh District.

Our relay team represented the Ipoh District at the Central Branch Meet held at the Anderson School. Lau Mun Kong participated in the 100 Metres flat. Later he represented the Central Branch at the Perak Schools' Sports held at Sekolah Tuanku Abdul Rahman.

We are working under a handicap in the matter of training our boys for competitive games. For the first half year the school keeps afternoon sessions, finishing the day at 6.05 p.m. We are thus unable to hold training and practice sessions on weekdays. Only Saturdays are available but this is not enough to get our teams into proper shape.

### CUBBING

The school has 2 cub packs, the 3rd Ipoh and the 4th Ipoh under the charge of Mr. Liao Fu Sing, Miss Anita Chan and Mr. Chua Kok Thye. We have our meetings on Saturdays beginning at 7.30 a.m. Each meeting lasts for about an hour. The first half hour is spent in the classroom where the boys are taught some star work, some songs and the boys have to copy some notes. The boys are then taken to the field where they have games.

The boys are very interested and keen in their work as evidenced by their regular attendance every Saturday.

### UNIVERSAL CHILDREN'S DAY

As in previous years, the occasion was celebrated in a fitting manner by all classes. In order that the children understood its significance the Teachers explained what it meant, what its purpose was and how they could help others less fortunate than they. Emphasis was laid on playing their part in spreading goodwill, understanding and harmony in their own small way. A variety concert was held in which every class was well represented. This was followed by the children partaking of the cakes, fruits and other titbits brought to school by those who were better placed financially. This meant that those who could not afford to bring anything were given a generous treat. Needless to say, every child felt happy and satisfied, the giver and the given.

### MALAY LANGUAGE SOCIETY

The Malay Language Society has entered its sixth year and is performing the very useful function of popularizing the National Language. The children meet regularly and participate in story telling, essay writing and at the end of the year a competition is held for them. A detailed account is given separately elsewhere in these pages.

### PRIZE-GIVING DAY

November 13th was Prize-giving Day. On hundred and sixty-six pupils were given awards. Eighty-one received prizes for doing well in examinations. 48 for winning competitions in Essay writing, story telling organised by the Malay Language Society and 30 awards were given to Prefects.

Peter Louis was awarded the prize as Sportsboy of the year while the Relay Team was similarly honoured.

I would like to thank Rev. Bro. U. Paul, the Director of St. Michael's Secondary School for giving out the prizes.

### GENERAL

The school has been in existence for eleven years and the tone and spirit of its pupils and Teachers are as fine and high as ever. Particularly noticeable are the esprit de corps among the staff and the discipline among the pupils. This has made my work considerably easier. I am therefore very thankful to the Members of the Staff and I look forward to the same co-

operation in the future. I am also grateful to the Members of the Board of Managers, particularly Dr. M. E. Tiruchelvam, the Chairman who are always ready to give their advice and

assistance; to the Chief Education Officer and the officers under him who are ever so helpful in every way and to Rev. Bro. U. Paul whose encouragement is most appreciated.

## *Sekolah La Salle, Canning Garden, Ipoh.*

**W**E are delighted once again, to take up the pen and through the medium of the school magazine, to give a bit of news to our readers. Little change has taken place in the school itself but an astounding transformation has befallen its surrounding. In the vast and fast developing Ipoh Garden Estate, houses have sprung up like mushrooms all around our school. The development is still going on and in time to come people who seldom have the opportunity of coming in this direction, will experience great difficulty in recognizing its environment. One has to see the change for oneself before one can believe it. However, we are proud to state that the school stands on a piece of ground higher than the rest.

Although the scholastic year has not been extraordinarily exciting and eventful, certainly it has been a successful one. If success is a relative factor, then it will be improper to evaluate it just by examination results. The efforts have been great, on the part of both teachers as well as pupils. The efforts of the teachers have been rewarded by the good response of their pupils not only in the playing field but in the classroom as well.

**Enrolment:** The school re-opened on 5th January, 1970 with a slightly increased enrolment of 506 boys, placed in both morning and afternoon sessions. This will be the pattern until we are in a position financially to erect more classrooms.

**Staffing:** There was a little change in the staff. Miss Rosa Leong was the only unfamiliar face at the beginning. She replaced Mr. Patrick Lee who had to attend a 3-month intensive course in Bahasa Malaysia for teachers in Kuala Lumpur. We regretted to lose the good services of Che Hafsah in May. There was a mutual transfer and we were happy to welcome Che Norlia as a new colleague of our staff.

**Academic:** True, our Std. 5 boys have to face a public examination towards the end of the year, we are working in the right direction by avoiding "cramming" just for this examination. We have good reasons to be satisfied

with the Std. 5 Examination results in 1969, depicted as follows:

Bahasa Malaysia	=	67.8%
Sains Awalan	=	61.1%
English	=	63.3%
Arithmetic	=	70%

I. Tawrikh & Ilmu Alam  
(History & Geography) = 71.1%

Besides the three terminal examinations, our pupils have periodic tests in order to ensure that they keep up interest and work hard at their lessons at home.

**Games & Athletics:** The school had its own organised competitions, particularly in Football and Badminton. The boys participated enthusiastically and did reasonably well.

On 14th March, our school participated in the District-level Cross Country Race. Thirteen schools took part and we came out 4th in position. Our own Cross Country Race was run on 6th May. With the assistance of traffic policemen, the teachers brought this event to a very successful conclusion. Results:

1st Lourdesamy	(Paul House)
2nd Rayappan	(Gabriel House)
3rd Choy Yee Seng	(Paul House)

For the first time, our annual sports were held in the afternoon. It was gratifying to note the big turn up of parents and friends on this merry occasion. Because of much eagerness, remarkable progress was made compared with previous years. This was a worthy achievement, thanks to the whole-hearted co-operation of many people. Paul House took the first place with 95 points, closely followed by Gabriel House with 91 points. There was a tie between Matthew House and Lawrence House with 78 points. Mr. Lim Guan Choe, A.M.N., P.J.K., O.St.J. and the first Headmaster of La Salle School graciously gave away the prizes. This kind gesture of his is his "swan song" to our school as he is retiring next year after a wonderful record of services.

Our Relay Team took the runners-up place at the S.M.I. (1) school annual sports.

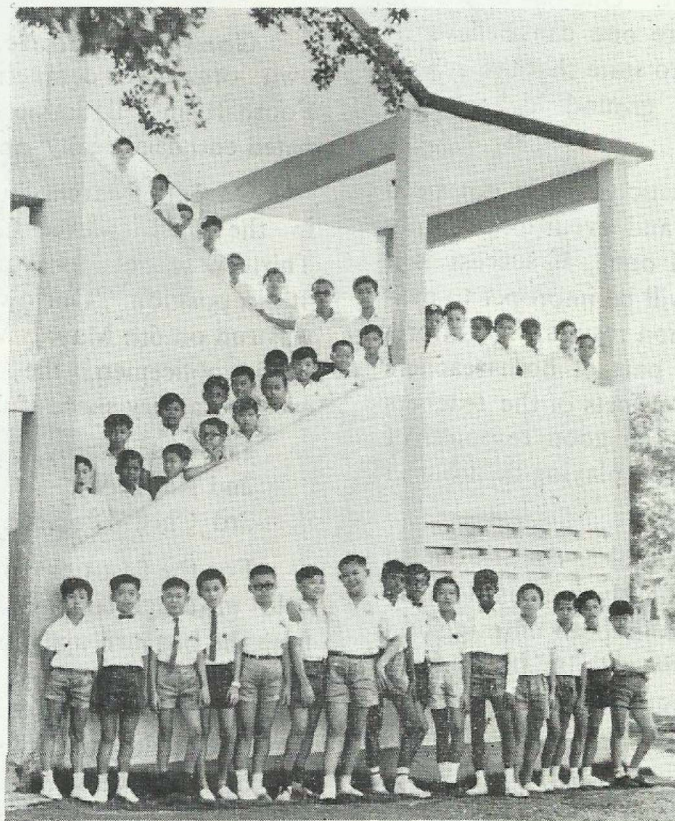

We secured a second position at the Combined Schools Meet in the 4 x 100 meters relay for Division A.

**Other Activities: Prize-Giving:** Our boys always look forward with pride to this day when their achievements are acknowledged in the presence of their parents, teachers and companions. We are very much encouraged by the interest parents manifest in the welfare of their boys at La Salle. This is shown by their presence and support on such occasions.

**Looking Ahead:** This is important. We

will continue to forge ahead with determination, always keeping in view our school song: "Full of courage in the fight, because in God we trust."

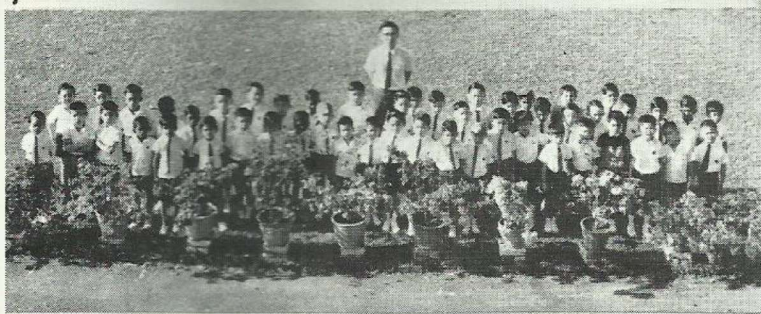

**Lest we forget!** We wish to convey our sincere appreciation to the Board of Managers for their interest and services to the school. We would like also to say a big "thank you" to Mrs. A. V. Isaac, Mrs. A. Jeremiah, Mrs. Emily Tan and Miss Cynthia Samy, who voluntarily come to teach Catechism daily at the school. Finally, we wish all our readers and well-wishers God's blessing.

# St. Michael's Kindergarten

## A Short History:

THE St. Michael's Kindergarten was started in March 1955 during the directorship of Rev. Bro. Denis, under the management of Mr. Tan Boon Kwee and two teachers — Miss Yeap Chai Choo and Miss Angela Yan. From an enrolment of 80 pupils, the number has increased steadily until we have now seventeen years later, a yearly intake of about 250 pupils.

The present manager is Mr. Lim Guan Choe who works in conjunction with Rev. Bro. Ultan Paul, Director of St. Michael's Institution, assisted by seven lady teachers.

## Registration for Kindergarten and Std. 1 Classes:

Registration of pupils starts from March for the following year's pupils. Parents or Guardians of pupils are requested to register their children with Mr. Lim Guan Choe, Headmaster of Pr Sch. I, St Michael's Institution.

Acceptance of pupils in the Kindergarten does not necessarily mean that pupils will be automatically admitted to the S.M.I. Primary Schools. Parents will be informed in advance by letter to register their children for the Standard I classes for the following year in the schools of their choice.

## Sessions for Kindergarten Classes:

There are two sessions for the Kindergarten Classes — one in the morning from 7-45 a.m. to 11-15 a.m. and another in the afternoon from 12-30 p.m. to 4-00 p.m.

## Fees and Books:

There is no registration fee of admission, but pupils will have to pay a fee of \$10/- per month, payable in advance.

Books for the pupils will be supplied at

the beginning of the year by the teachers in charge, payment for which must also be made, payable in advance.

#### **Activities:**

The pupils were entertained to a National Day Children's Party on 28th August 1970. All expenses for the party were borne by the Director, St. Michael's Institution.

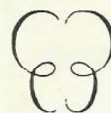

An End-of-the-Year Party will be held before classes are dismissed for the Final Term Holidays.

#### **Curriculum:**

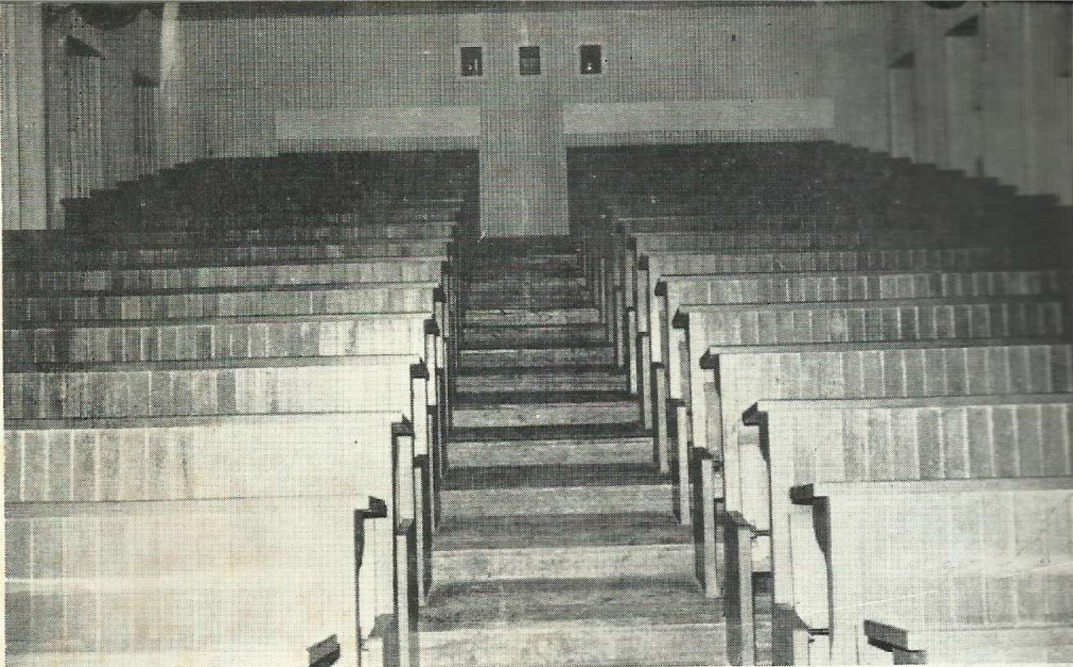

With the implementation of Bahasa Malaysia as the medium for instruction in 1970 in Std. 1 classes for English Medium schools, more lessons in Bahasa Malaysia are taught in the Kindergarten Classes.

#### **Appreciation:**

The Rev. Bro. Director thanks all Parents and Guardians of the pupils for their spontaneous response towards the many calls for donations during the year for the Secondary School Extension Fund. May God's Blessings be with them always.
