# PREFECTORIAL BOARD

## 1978

The year 1978 began with 13 Form Six Prefects, 3 of whom are lady prefects, leaving the Board to further their studies overseas. Our advisor, Bro. Casimir was also transferred at the beginning of the year. The Board is very grateful to him for his invaluable guidance and advice.

The Prefectorial Board this year consists of 35 boys and 28 girls from Form Six and 29 boys from Form Five making a total of 92.

During the second week of the first term the prefects attended a leadership training course in Cameron Highlands conducted by Rev. Bro. Peter Foo. The programme offered some kind of familiarisation with the duties and problems in the school and cultivated a sense of co-operation among us which has kept us a closely knit group. The Prefects would like to thank Rev. Bro. Peter Foo for conducting the course and also Mr. Yeo Ah Seng, Mr. Leong Wing Hon and Mr. G. Sivapragasam for sponsoring the programme.

On the morning of 20th January, the Prefects were officially installed in a single and simple investiture ceremony. At this ceremony the prefects wearing well cut blazers lined up in front of the whole school and took the oath of office.

On March 1st the Prefectorial Board launched an exercise to familiarise the students with the school regulations and to instill a spirit of civic consciousness in all Michaelians. Though good solid results have yet to be obtained, the disciplinary condition is satisfactory and is improving. This should be accredited to all teachers concerned who have assisted in this matter and to whom we are grateful.

On behalf of the prefects I would like to thank the staff and students for the cooperation and support they give us in the carrying out of our duties.

We wish to thank in a special manner, Rev. Bro. Director for his encouragement and support and our advisor Rev. Bro. Vincent for his guidance in the Board's Administration.

I would also like to thank all the prefects for their devotion to service which has helped me in doing my duty and making my term of office an interesting and happy one.

In conclusion I wish the new Head Prefect and His Board a dynamic year ahead.

QUIS UT DEUS.

The strength of the Board this year stands at 109, with Librarians from Form 4 till Upper 6. To ensure more efficient performance of Library duties, Librarians are divided into 5 Committees, namely Book-Management, Service, Publicity, Magazine and Foreign Affairs.

The Foreign Affairs Committee was set up in August last year and seeks to promote better understanding and relations with Librarians of other schools. It was

responsible for the successful organization of the ISLC games in March this year where a total of 10 schools took part. Our Librarians also participated in the ISLC Campfire and Exchange Programme, where we emerged first.

The Book-Management Committee this year did a very good job of wrapping and repairing books which would otherwise be discarded. Regular classification and accession of books were taught to the members and meetings were held for this purpose.

Many more 'Magazine Covers' were made by the Magazine Committee to maintain the magazines on display in as good a condition as possible. It also taught and served to create a more interesting outlook for various magazines.

The Service Committee attended to the needs of both the Library and Librarians. Inter-Committee games were held in October last year, to promote better relations among Librarians. Throughout the year, they have attended to the small but important things that require attention.

The main task of the Publicity Committee was the compiling of the Album for 1976/77. Library notice boards were tastefully redecorated from time to time and new articles of interest were put up.

In addition to Committee Projects, the Board undertook to compile a reference section for students who wish to further their studies either locally or abroad. Particulars regarding entry into the various courses available were sent for from the various Universities and Colleges.

Another project started this year was the compiling of files on articles suited to students taking the General Paper.

A survey conducted by Lower 6 Librarians came up with useful information on what students had to say about the Library as well as Librarians in general.

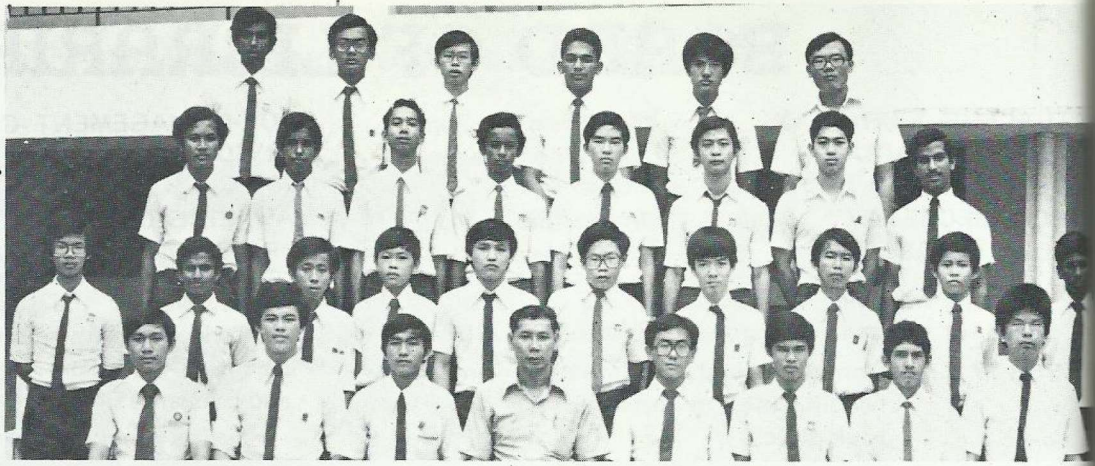

Currently, there are plans to redecorate the Library with more posters, plants, etc. Funds for this purpose are being raised by Librarians themselves.

In appreciation for the efforts shown by Librarians, each month we award the title 'Librarian of the Month' to one or two Librarians. As a further incentive, a 'Librarian of the Year' Award was introduced last year. Librarian of the year 1977 was awarded to Prem Kumar.

We wish to thank our staff and all Librarians for their co-operation, invaluable help and efforts throughout the year. We would like to take this opportunity to express our thanks and sincere appreciation to the late Master Eric Gomez and Bro. Director for their constant and invaluable guidance and encouragement, which have helped ensure the smooth functioning of the Board.

# QUARTER-MASTERS

## Quartermasters:-

**Teacher-in-charge:** Mr. Chan Yat Tong

**Secretary:** Ching Cheng Chow

## Service Corps Members

**Chairman:** Augustine Loh

**Secretary:** Christopher Lean Yin Voon

**Committee Member:** Philip Seow Chee Wee

**Teacher Advisor:** Mr. Cheah Soon Cheong

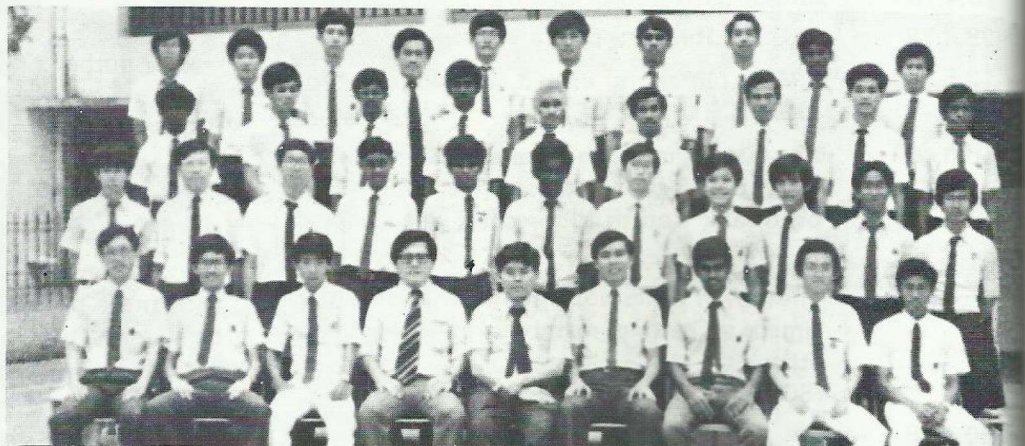

The Board now is four and a half years old as it was established in March, '75. During March this year, new members from Form Four were enrolled. At present, the force of the Board is twenty two excluding the Form Five members. As usual, the Form Five Quartermasters have to prepare for their exams and for an early start, the Form Four members took over from them in March.

The Quartermasters played an important role in all the games organised by any club or society. During our school's Annual Sports Day, we played a very big part in helping in the field and track and all practices leading up to it. We also helped in a number of other cases and to name one was the Sixth Form Games. We ensure the smooth and efficient distribution of the games equipment.

The normal routine of the Quartermasters, two Quartermasters are on duty after school from 3.30 p.m. to 6 p.m. everyday except weekends and holidays. During the duty, they would lend out sports equipment to students and societies or clubs which have been approved by our teacher-in-charge, Mr. Chan Yat Tong.

The Board has been very successful with its role it played in the school and this is due to the full cooperation of its members and their dedication to their duty, and also due to the guidance of our teacher-in-charge, Mr. Chan Yat Tong.

# LEMBAGA PENGAWAS KANTIN

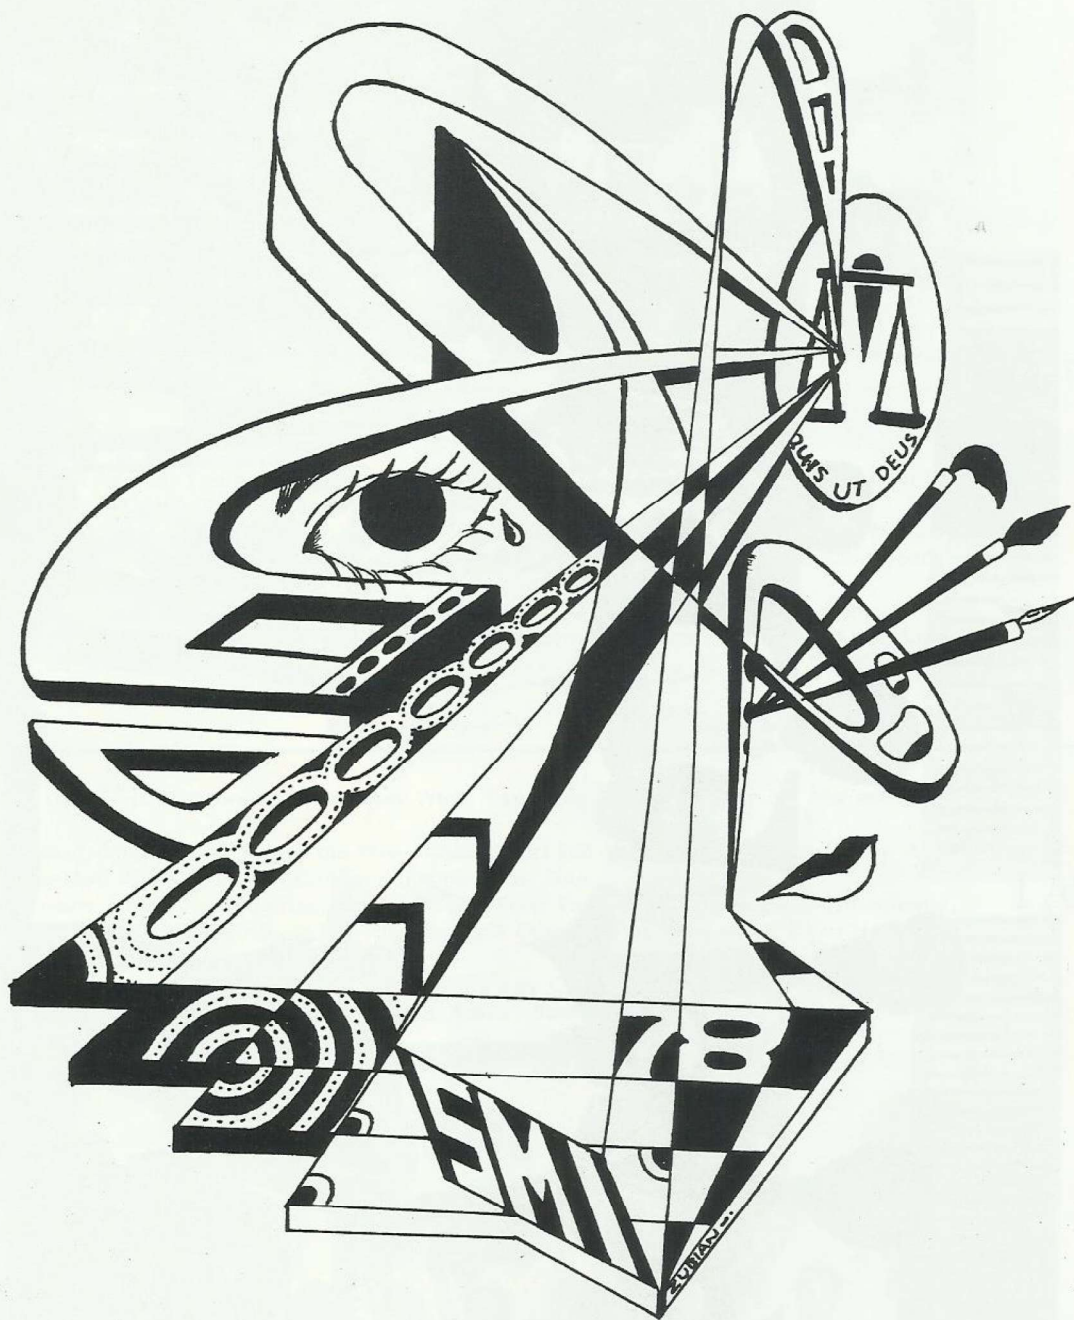

Sejak penubuhan persatuan ini, iaitu dua tahun yang lalu, Lembaga Pengawas Kantin telah mendapat penuh kerjasama daripada pihak murid-murid. Sekarang keadaan kantin telah kelihatan lebih kemas dan elok. Walaupun jumlah ahli-ahli baru yang dipilih pada tahun ini adalah lebih rendah jika dibandingkan dengan tahun-tahun yang lepas, pelaksanaan tugas-tugas di kantin adalah lebih licin dan amat berkesan dari tahun-tahun yang lalu. Ahli-ahli lembaga ini telah menumpah daya usaha dan tenaga yang tidak terhingga ketika menjalankan tugas masing-masing. Baru-baru ini lencana-lencana baru telah diperkenalkan

dan digunakan. Kami semua amat terhutang budi kepada Encik Louis Liao yang sudi melakukan persediaan untuk mendapatkan lencana-lencana ini.

Di sini ingin juga turut mengucapkan ribuan terimakasih kepada guru penasihat kami, Encik Cheah Soong Cheong dan juga pengarah sekolah, Bro. Paul kerana membantu menjayakan Lembaga Pengawas Kantin dan diharap dan kesemua ahli persatuan ini akan terus memajukan lagi persatuan ini demi kebaikan dan faedah kepada murid-murid disekolah.

Teacher Advisor: Mr. N.C. Thomas

Following the inauguration of the Executive Committee and the Chairman of the various study groups early in February, the activities of the Council began. As every year, the collection of subscriptions from the Fifth Formers was difficult but despite all the problems, the Council managed to obtain the co-operation of most Fifth Formers. Thus the Council initiated its programmes for the year with much ease. All of the inter-class activities were held during the first term for the Council had decided to leave the second term free for the Fifth Formers to revise for their examinations.

The Council started off with a soccer tournament to which all the classes responded eagerly. After a few

weekends of hard playing, Form 5A3 emerged champions. This was followed by a volleyball tournament. The response was of the same we received for the soccer tournament and Form 5Sc2 emerged champions in this tournament. After these tournaments, the Council shifted its attention towards the Inter-School Fifth Form Quiz and Games Carnival in which four schools participated. The Council succeeded in hosting and also organizing the entire Carnival which was held during the first term holidays. This brought us to the end of our first term programme.

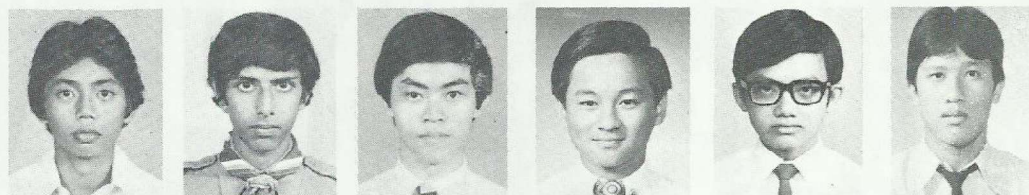

With the beginning of the second term, the Council decided to organize an inter-class debate and a basketball tournament but due to unforeseen circumstances, the Council had to discard these ideas. At present the Council is trying its best with its limited finance to help its fellow Fifth Formers as much as possible and hopes that they would endure and co-operate with the Council.

Finally, the Council would like to extend its appreciation and gratitude to its advisor, Mr. N.C. Thomas and also a special thank you to the Rev. Bro. Ultan Paul for their invaluable advice and help they have given to the Council.

## ASRAMA ST. MICHAEL'S

St. Michael's hostel was opened in 1974 to cater for the Malay boys who were chosen by the Education Department to study in the Remove Classes. They came from small towns and villages in Lower Perak. They were rather shy and timid when they arrived. There were 60 of them. However they slowly got over this and today they are fine young lads who mix around freely. They are well-behaved and friendly. Some of them (ie. the older batch who came to us when they were in Form 4) are now in various Universities, Colleges and jobs. Last year, a few left us to study in Technical and Agricultural schools in other States. Today, there are 60 of them: 3 in Upper Six Science, 1 in Lower Six Arts, 3 in Form Five and 53 (the original

group) in Form 4. This last group of 53 is an interesting group. They are good in their studies and in games. Four of them were made School Prefects. Last year, all of them except one, passed the L.C.E. with 3 of them scoring 5 distinctions each and several others with 4 and 3 distinctions each. One of them was recently promoted to the rank of Drum Major in the Military Band and another, the school rugby captain. They have definitely got into the full swing of school life. We hope they will continue to be diligent in their studies and partake fully in the school extra-curricular activities and games, thus preparing themselves well for life. A word of thanks to Rev. Brother Lucian Ng who is in charge of them and who takes great interest in their welfare.
